2011-2012 FIXED PRICE CONTRACT #1 (#2 Fuel Oil Only)

Squier & Co. has signed a contract with its suppliers, to assure a supply of winter oil at a guaranteed price, and is now offering you the opportunity to sign a contract with us to do the same. Regardless of what the market price does, Squier & Co is obligated to take delivery of the contracted oil at the contract price. When you purchase a contract for your winter oil from Squiers, you have the same risk and obligation. There may be more offers in the future that may be priced lower or higher than this offer. Should you purchase oil from any future contracts, the contracts will be used in the order they were purchased.

By signing this contract you are agreeing to purchase and take delivery, as described in the terms below. Please return the entire original signed and dated contract to Squier & Co. We will sign it and return a copy to you. Any changes to, or cancellation of this contract requires signatures by both parties.

Once we have sold the oil we have bought for this contract, this offer ends.

We reserve the right to cancel/limit this offer at any time.

Contract Terms:

- 1) Lock-in price is \$3.59 per gallon paid in full when the signed contract is returned to us.
- 2) Deliveries begin October 1, 2011, and end when contract oil is used up or March 31, 2012, whichever comes first.
- 3) All deliveries before October 1, 2011 and after March 31, 2012 will be billed at our regular posted price.
- 4) In the event you do not take delivery of at least 75% of your contracted oil, a liquidation fee of \$500.00 may be imposed.
- 5) There are *no* large volume discounts, prompt payment discounts or interest payments made with this plan.
- 6) Contract ends March 31, 2012, at which time you may request a refund of any credit balance, provided you have taken delivery of at least 75% of your contracted oil. You may leave the credit balance on your account, from which future deliveries will be automatically deducted at the current posted price in effect on the day of delivery. If you have a credit balance you want applied to this or future contracts, you must tell us to do so.
